**Re: Freedom of Information Act (FOIA) Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I am requesting access to and copies of the following documents and information:

1. All communications (emails, letters, faxes, memoranda, reports, notes, text messages, bulletins, BOLOs, or any other correspondence) sent to or received from Lafayette County or Oxford, Mississippi, and/or any law enforcement or government entity or official therein, including but not limited to the Lafayette County Sheriff's Department, Oxford Police Department, Lafayette County Circuit Clerk's Office, and any other government official or agency, referencing or relating to myself, Matthew Oliver Reardon (also known as Don Matthews), from January 1, 2025, to the present.
2. All internal bulletins, BOLO (Be On Lookout) notices, advisories, alerts, or any other information or communication distributed internally or externally to any law enforcement agencies or federal offices referencing or pertaining to me, Matthew Oliver Reardon (Don Matthews), following incidents occurring on June 23, 2025, and June 26, 2025, at the U.S. District Court, Lafayette, Louisiana.

3. Any and all communications or transmissions, internal or external, referencing my prior interactions with any law enforcement agencies or court entities in Lafayette County, Mississippi; Galveston, Texas; or Layton, Utah, specifically concerning or referencing alleged criminal history, prior litigation, civil rights activism, journalism activities, or any other investigative information gathered or transmitted.

The justification for this request is based upon credible belief and documented evidence of coordinated interstate communications intended to target, surveil, or otherwise infringe upon my constitutionally protected activities, notably journalism and civil rights advocacy. Specific recent events strongly suggest improper and unauthorized dissemination of sensitive and personal information by officials from Lafayette County, Mississippi, to federal officials within the U.S. Marshals Service in Lafayette, Louisiana.

This FOIA request seeks to confirm potential patterns and practices indicative of “gangstalking,” coordinated retaliatory harassment, or conspiracy under the Racketeer Influenced and Corrupt Organizations (RICO) Act, 18 U.S.C. § 1961 et seq.

Given the clear public interest in identifying and preventing government misconduct, harassment, and constitutional rights violations, I respectfully request expedited processing and a fee waiver for this FOIA request pursuant to 5 U.S.C. § 552(a)(4)(A)(iii).

Please provide the responsive documents electronically to the provided email address if possible. If not, please advise me of any anticipated fees before processing if my fee waiver is not granted.

Should you require additional clarification or information, please contact me directly at the contact information provided above.

Thank you for your prompt attention to this important matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'MOR', with a horizontal line underneath it.
